The programme aimed to create awareness among students and local residents about the importance of maintaining a clean environment, practising good hygiene, and contributing to community welfare. The programme was inaugurated by Shri Ranjit Das, Ward Commissioner of Adopted Ward No. 16, who delivered an informative speech on the significance of Gandhi Jayanti and Mahatma Gandhi's contributions to the nation. He highlighted the importance of cleanliness in daily life and its role in protecting public health and the environment. He also discussed the objectives of the Swachh Bharat Abhiyan and explained how students could contribute to this initiative by adopting healthy habits, participating in cleanliness activities, and encouraging others to keep their surroundings clean. Furthermore, he emphasised the relevance of Gandhian ideals in developing the character of young people and building a responsible society and a progressive nation.
