

Name of the programme: ULLAS Surveyor Training Programme

Organised by: Barpeta District District Literacy Mission Authority (DLMA), in collaboration with the National Service Scheme (NSS), Madhab Choudhury College, Barpeta Unit.

Place: Digital Class Room, Madhab Choudhury College, Barpeta

Date: 20/06/2026

Description of the programme:

The Barpeta District Literacy Mission Authority (DLMA), in collaboration with the National Service Scheme (NSS), Madhab Choudhury College, Barpeta Unit, organised a ULLAS Surveyor Training Programme on 20 June 2026 in the Digital Classroom of the college. The programme aimed to train students to participate in the implementation of ULLAS – Understanding of Lifelong Learning for All in Society, under the New India Literacy Programme (NILP), and to promote literacy among non-literate people in the areas surrounding the college. The initiative sought to encourage students to contribute to community development by supporting literacy activities and spreading awareness about the importance of education and lifelong learning. The programme was attended by Shri Deben Chandra Bora, District Coordinator of NILP–ULLAS, Barpeta, who guided the students on the objectives and significance of the programme. Shri Fungsubar Basumatary and Shri Gokul Deka, Supervisors, along with Smt. Payel Karmakar, NILP Technician, provided training on the implementation process, survey methods, and the responsibilities of surveyors in identifying non-literate individuals and supporting literacy initiatives. Altogether, 76 students participated in the training programme. The sessions helped students understand their roles as surveyors and prepared them to collect relevant information and assist in implementing ULLAS activities in nearby communities. The training also encouraged students to develop communication skills, social awareness, and a sense of responsibility towards society. Through this initiative, the participants gained practical knowledge of community-based literacy work and were motivated to contribute to the goal of improving literacy, promoting lifelong learning, and building a more educated and empowered society.
