

ALUMNI FEEDBACK ON COURSES

Session: 2022-2023

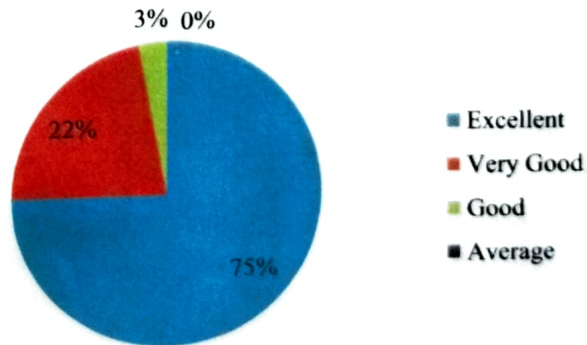

1. Learning Value (in terms of skills, concept, knowledge and analytical abilities or broadening perspective):

2. Applicability/Relevance to real life situations:

3. Depth of course content:

Suggestions by the Alumni:

1. A few alumni raised the importance for exposure visits to industries so that the application of subjects in a practical way could be enhanced.
2. Seminars on weekly basis to convey scientific information was also urged by one passed out student.
3. One student also requested to invite distinguished speakers to share their insights on the subject.
4. Extra classes for NET and other competitive exams were asked by an alumnus.
5. Increase in the number of apparatus in laboratories was suggested by an alumnus.
